JONATHAN IMMANUEL IRFAN

Senior Data Engineer

Jakarta | +62 896 3021 6035 | Joimmanuel.irfan@gmail.com

SUMMARY

Results-driven Data Engineer with over 7 years of experience managing large datasets. Expertise in implementing ETL processes (SSIS, SSAS, SSRS) and transitioning Big Data systems from Sybase to Hive, Dremio, Hadoop, Spark, Python, Google Cloud Platform (GCP), and AWS. Proficient in Data Warehousing, Big Data, and Data Visualization, with extensive experience using PowerBI to deliver impactful insights.

EXPERIENCE

PT. ADICIPTA INOVASI TEKNOLOGI (ADINS) - Jakarta, Indonesia
Senior Data Engineer (July 2021 - Present)

- Designed, implemented, and maintained data warehouse systems, including the extraction and loading of data from various sources
- Conducted user requirement analysis for change requests
- Provided ongoing support for production environments
- Identified, designed, and implemented internal process improvements
- Handle new projects for new clients, especially providing reporting and data warehouse needs

PT. PERINTIS KARYA SENTOSA (OT Group) - Jakarta, Indonesia
IT Big Data Supervisor (July 2020 - June 2021)

- Created incentive reports for Sales, Sales Managers, and Assistant Sales Managers
- Managed User Requirement Specifications (URS) to address business needs
- Developed new projects using Big Data technologies such as Hive, Dremio, and Splice Machine

PT. ARTABOGA CEMERLANG (OT Group) - Jakarta, Indonesia
IT Big Data Engineer (January 2018 - June 2020)

- Extracted insights from data for reports and business intelligence (BI)
- Developed business intelligence solutions, reporting systems, and applications to support data analysis needs
- Conducted follow-ups on complaints related to applications, reports, and BI

WEBTRIKS - Jakarta, Indonesia
IT Application Developer (July 2017 - December 2017)

- Developed company profiles, inventory systems, and gym applications
- Tested and debugged code through to production deployment

STEVSOFT - Jakarta, Indonesia
IT Website Developer (August 2016 - June 2017)

- Designed and built company profiles, e-commerce platforms, and business & inventory applications
- Maintained, expanded, and scaled websites to ensure optimal performance
- Evaluated code to ensure it aligns with user requirements and performance standards

EDUCATION

UNIVERSITY OF BINA NUSANTARA (December 2018 - June 2020)
Master Degree of Information Technology - GPA 3.74

UNIVERSITY OF BUNDA MULIA (September 2013 - September 2017)
Bachelor Degree of Information Technology - GPA 3.84

CERTIFICATIONS

- Alibaba Cloud's Machine Learning Platform: PAI (Alibaba Cloud Global)
- Data Processing (Digital Talent Scholarship)
- SQL Server SSAS (Multidimensional MDX) - an Introduction (Udemy)
- Machine Learning with Tensorflow (Digital Talent)
- Mastering SQL Server 2016 Integration Services (SSIS)-Part 1 (Udemy)
- Microsoft SQL Server Integration Services (SSIS) Training (Udemy)
- Cloud Digital Leader (Google Cloud Platform)
- Dremio Data Reflections (Dremio University)
- Dremio Fundamentals (Dremio University)
- Dremio For Data Consumers (Dremio University)
- Enterprise Design Thinking Practitioner (IBM)
- Ai In Fintech Essential Training (Linkedin)
- Apache Spark Essential Training: Big Data Engineering (Linkedin)
- Data Engineering Foundations (Linkedin)
- Problem Solving Basic Certificate (Hackerank)
- Python Basic Certificate (Hackerank)
- Sql Basic Certificate (Hackerank)
- Sql Intermediate Certificate (Hackerank)
- Data Skills For Business Certificate (Datacamp)
- Introduction To Deep Learning in Python Certificate (Datacamp)
- Google Machine Learning Certificate (Google Developer Indonesia)

SKILLS

- Hadoop ecosystem (HDFS, MapReduce, Hive, ZooKeeper)
- Real-time processing Framework (Apache Spark)
- SQL-based technologies (SQL Server, MySQL, PostgreSQL)
- NoSQL technologies (MongoDB)
- Programming Languages (Python)
- Workflow Tools (Apache Airflow)
- Datalake Platform (Dremio)
- Data Warehouse (SSIS, SSAS)
- Data Visualization (PowerBI, FineReport, Superset, SSRS)
- Cloud Platform (GCP, AWS)
- Leadership
- Time Management
- Working with others
- Team Player
- Communication Well
- Organization Skill
- Curiosity
- Stay Updated for New Technology
